

**THE**

## **LIVE BAND KARAOKE SHOW**

### **Simple Rules**

- **No Mic Dropping.**
- **Sing Clearly into the microphone. Not 3 feet away from it. No need to SCREAM as loud as you can into the mic. It amplifies things already.**
- **CUPPING the mic actually makes you sound terrible, sound engineers absolutely hate it, and I will not go into what it actually looks like you're doing.**
- **No SWINGING the mic by the cable. That breaks things and looks dumb.**
- **Try not to fall onto the musicians or their equipment, please.**
- **We do not play favorites, ever. We try to get as many people up as often as possible through all of the chaos.**

**Note: If the Band's Name Starts with "The", Search for the Next Word**

**EX. "The Police". Search for "Police" Instead**
